## John Dobyms, UWO Director of Outreach and Operations for the CAPP

**Name:** John Dobyms

**Contact Information:** [dobymsj@uwosh.edu](mailto:dobymsj@uwosh.edu)

**Organization:** UW Oshkosh

**Current job/area of focus:** Director of Outreach and Operations for the CAPP Office

John Dobyms, Director of Outreach and Operations for the CAPP Office at UW Oshkosh. In his role as Director for the last 5 years, John has overseen a doubling of the partner schools and students that the CAPP Office and UW Oshkosh serve (130 schools and 6000 unique students). Prior to this position, John taught at Freedom High for 17 years (AP BIO, Human Anatomy, BIO 10 and others), and was an adjunct in BIO in the CAP Program. Currently, he is also a liaison for CAPP through the Biology Department, and teaches on campus for both COLS (BIO courses) and COEHS (EDU courses). His unique perspective as a teacher/adjunct, current administrator, and current liaison, allows him and his CAPP team to serve students with a focus on student access and opportunity within the concurrent enrollment world.

**K12 experience:** John taught at Freedom High for 17 years (AP BIO, Human Anatomy, BIO 10 and others)

## Courtney Gaynor, MPTC

**Name:** Courtney Gaynor

**Contact information:** [cgaynor@morainepark.edu](mailto:cgaynor@morainepark.edu)

**Organization:** Moraine Park Technical College (MPTC)

**Current job/area of focus:** K12 Partnership Coordinator

Courtney is the K12 Partnership Coordinator at Moraine Park Technical College. She holds a bachelor's degree in history, master's degree in education, and a PhD in Leadership for Higher Education. She has worked in higher education for over eight years, with the last four years being in the Wisconsin Technical College System.

## Meagan Strehlow, UWGB Exec. Director of K12 Community Relations

**Name:** Meagan Strehlow

**Contact Information:** [strehlom@uwgb.edu](mailto:strehlom@uwgb.edu)

**Organization:** UW-Green Bay

**Current job/area of focus:** Executive Director of K-12 & Community Relations

As the Executive Director of K-12 and Community Relations, Meagan develops partnerships with educational organizations and schools as well as oversees programs including College Credit in High School, Early College Credit Program, Dual Enrollment Access Academy, Rising Phoenix Early College High School, GEAR UP, Turbocharge, and the Accelerated Associate Degree. In addition to her work with K-12 schools, Meagan creates innovative programs to meet the diverse needs of students of all ages. With a focus on equity, access and student success, Meagan has grown dual enrollment opportunities across Wisconsin through partnering with school districts to develop innovative pathways to higher education.

**Education:** B.A. Arts in Education, M.S. Education
