

Inspiring a Future-Ready STEM Workforce

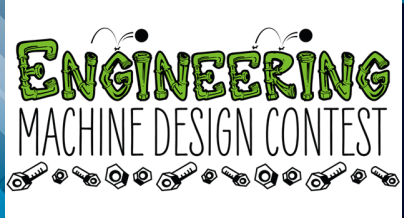

# Volunteer Today!

**WE NEED YOU!**  
Do you want to move STEM forward in our community? Join us at one of our programs to inspire the next generation.

JANUARY 2024

**Future City Competition**  
Middle School Students plan, design, and build a complex "City of the Future" with robust deliverables.

MARCH 2024

**EMDC**  
High School Students learn about engineering and physics as they build and present a complex machine to accomplish a simple task.

APRIL & MAY 2024

**Contrapt Wisconsin**  
Middle School Students learn about engineering and physics as they build and present a complex machine to accomplish a simple task.

ONGOING

**Day of STEM Program**  
STEM professionals present to students on STEM pathways, careers, and interactive experiences.
